### World Renew Disaster Response Services

When disasters strike, World Renew responds to the urgent needs that arise. Lately we have encountered many needs due to Hurricanes Harvey, Irma and Maria. We are working closely with local response organizations to offer clean-up teams, needs assessments, home repair services as well as distributing emergency food, water, shelter and other supplies. Your financial support to help in these responses will make a significant difference in the lives of the most vulnerable disaster survivors – those who are not able to recover on their own and are at risk of being lost or forgotten as the recovery progresses. If you would like to make a contribution, you may use the blue envelopes in the pews and mark them "World Renew" or you can visit World Renew online at [www.worldrenew.net](http://www.worldrenew.net) to donate.
