Christian Education Ministries

Christian Education

We would like you to ask our church family to prayerfully consider your involvement in this ministry. It is supported by our church family and their generous giving. The deadline for our church families to apply for Christian Education assistance is April 8. The program was set up for families that *really need some extra* financial help. We have many families that do not apply for any financial assistance. Please assess your need on a yearly basis. Families must reapply each year if they are asking for support and be members of our church. Forms are in the back of church.

This ministry is comprised of two support types;

1. Christian School Assistant (CSA) is for larger assistance where families apply and must provide financial statements for this assistance.
2. CEM (Christian Education Ministry) is where any family can sign up for assistance each year. We have many families that do not need assistance of any form and are not part of either program.

Please drop your pledge card in the offering plate or turn it into the box by the Information Wall. Thank you in advance for your participation. Questions please see Deb Smies at debsmies@gmail.com.
